Re: Report to City Council

Custodian of Records – Records Requests

The city has received and processed 26 record requests under the Missouri Sunshine Law for the period of January 1st – June 10th, 2022.

Bill Number 2306 – Amending Chapter 14

Please see separate memo in the packet with Bill 2306.

Auditor's Report

The City's 2021 Audit by Botz, Deal and Company will be reported on at the July 18th, 2022, Council meeting. This delay is a result of a staffing shortage with the auditing firm.

Findings of this report will be provided to the Finance Committee prior to June 30th.

Hybrid Meetings – City Council

Due to requests for hybrid meetings from residents, Mayor Spewak has directed staff to poll other communities to gain a better understanding of how they are currently holding their meetings. Of the ten cities polled, six are in-person only with no virtual option, three continue to hold hybrid meetings, and the City of Frontenac continues to be closed to the public at this time.

The Video Conference Meeting policy approved by Council at the September 20th, 2021, meeting, allows for Council to meet with a hybrid option in unlimited frequency.

Town & Country	In-person only, with no virtual option. Meetings are live-streamed, but residents must attend in person to participate.
University City	In-person only, with no virtual option. Meetings are live streamed via YouTube. Residents may attend in person or submit written comments prior to the meeting.
Kirkwood	In-person only, with no virtual option. Meetings are live-streamed, but residents must attend in person to participate.
Maryland Heights	In-person only, with no virtual option.
Chesterfield	In-person only, with no virtual option.
Creve Coeur	In-person only, with no virtual option.
Wildwood	Hybrid meetings will continue to be offered for the public.
Des Peres	Hybrid meetings will continue to be offered for the public.

Clayton	Hybrid meetings will continue to be offered for the public.
Frontenac	Meetings remain closed to the public. All participants, outside of staff and Council, must participate virtually.
